

Udipta Mondal

Dhaka, Bangladesh | **Phone:** +880 1700 891972 | **Email:** ahondipto@gmail.com
LinkedIn: linkedin.com/in/udiptamondal | **GitHub:** github.com/Udipto-Mondal

Education

Presidency University Bangladesh

BSc in Computer Science and Engineering

CGPA: **3.10** / **4.00**

Jan 2022 – Dec 2025

Dhaka, Bangladesh

Undergraduate Thesis: Machine Learning-Based Predictive Modeling for Early Detection of Dengue Disease

Technical Skills

Languages: Python, C++, C#, SQL

Frameworks/Tools: scikit-learn, VS Code, Visual Studio, Kaggle, GitHub

Concepts: OOP, Data Structures & Algorithms, Machine Learning, Computer Vision

Soft Skills

- Analytical problem-solving and algorithmic thinking
- Team collaboration, communication, and leadership under pressure
- Competitive programming

Projects

Falcon AI: Autonomous Border Surveillance System

May 2025

- Built a real-time autonomous surveillance system using **Python, Flask, and YOLOv11** for critical border monitoring.
- Leveraged computer vision and tactical data analysis to detect threats, prevent civilian casualties, and deliver actionable intelligence to frontier forces.

Predictive Modeling for Early Dengue Detection (ML Thesis)

2023

- Developed a supervised ML model to predict dengue outbreaks using environmental data (rainfall, temperature).
- Applied data preprocessing, feature engineering, and model evaluation techniques.

School Management System (Desktop Application)

2025

- Built a role-based desktop system managing students, teachers, attendance, fees, and academic records using **C# and MS SQL Server**.
- Designed separate access panels for admin, teachers, and students with structured database architecture.

Library Management System

2023

- Designed a desktop application for managing book inventory, borrowing, and return records.

Awards & Achievements

- **Rank 8** — Blockchain Olympiad Bangladesh, AI Category (2025)
- **Nominated** — International Data Science Olympiad, Hong Kong (2025)
- ICPC Asia Dhaka Regional Contest Participant (2023)
- **Winner** — Presidency Intra-University Programming Contest, Season 2
- **1st Runner-Up** — Presidency Intra-University Programming Contest, Season 1
- **2nd Runner-Up** — AI Contest, Presidency University (2024)

Certifications

- Blockchain Olympiad Bangladesh — AI Category
- ICPC Preliminary Contest
- ICPC Asia Dhaka Regional Contest
- Supervised Learning with scikit-learn — DataCamp
- Competitive Programming
- Image Processing in Python — DataCamp
